In the event of litigation, this Agreement may be filed as a written consent to a trial by the court. Each of the parties hereto (a) certifies that no representative, agent, or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver, and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement, as applicable, by, among other things, the mutual waivers and certifications in this Section.

10.20 No Waiver.

No failure to exercise, and no delay in exercising, on the part of either party, any right or any power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or power hereunder preclude further exercise of any other right hereunder.

10.21 Notices.

All notices, demands, or other communications herein provided to be given or that may be given by any party to the other shall be deemed to have been duly given when made in writing and delivered in person, or upon national overnight courier service, signature required, at the other party's principal business address.

10.22 Entire Agreement.

This Agreement incorporates all of the agreements and understandings between the parties hereto concerning the subject matter hereof and supersedes all previous agreements between the parties as all such agreements and understandings have been merged into this Agreement. **Customer hereby represents and acknowledges that in entering into this Agreement it did not rely on any representations or warranties other than those explicitly set forth in this Agreement.** Customer represents that it has read this Agreement, understand it, agrees to be bound by all terms and conditions stated herein.
