

## Privacy Notice

We respect your right to privacy. Lighting Analysts does not distribute your information to third parties. All information that is collected from this site is only used by us.

### Demonstration Software / Updates

When downloading demonstration software and/or software updates, we may ask for personal information about you. This information may include your name, company name, address, phone number, and e-mail address. Some of this information is required for product registration.

### Purchasing Software

When you place an order with us online, we collect information about you, including your name, address, and credit card information. This information is necessary in order for us to process and complete your order. **For security reasons we do not retain any credit card information on our systems.**

### Product Registration

Product registration information includes product information as well as your name, company name address, phone numbers, and e-mail address. This information is required in order for us to register and support our software.

### About Cookies

When purchasing from our online store and downloading purchased software from lightinganalysts.com or any of our LAI domains, we collect information about you with the help of cookies. A cookie is a small file that a Website writes to your hard drive when you visit that site. Cookies cannot read information from your hard drive or read information from other cookies. If you turn off cookies in your Web browser, you will not be able to purchase software or download purchased software from lightinganalysts.com. However, you will be able to use all other portions of the website with cookies turned off.

[Click here](#) for more information about cookies and how we use them for your security.

### How to Contact Us
